

Through It All

Matt Redman

THROUGH IT ALL YOU ARE FAITHFUL
Through it all You are strong
As we walk through the shadows
Still You shine on

So many broken promises
So many empty words
God of love and faithfulness
Have mercy on this world

You never turn or change
You never break the faith
Yesterday, today and always

Through it all You are faithful
Through it all You are strong
As we walk through the shadows
Still You shine on
Still You shine on

God of unbroken promises
Always You keep Your word
Glory, grace and holiness
Forever to endure

You are faithful, Jesus You are faithful to the end
You are faithful, Jesus You are faithful to the end
