

We Could Change the World

Matt Redman

Could we live like Your grace is stronger
Than all our faults and failures?
Could we live like Your love
Is deeper than our hearts can fathom
Could we live like this?

Could we live like Your name is higher
Than every other power?
Could we live like Your ways
Are wiser than our understanding?
Could we live like this?
Could we live like this?

Yes, our God is all He says, all He says He is
Jesus, in Your name we could change the world
We stand in Your love, in Your power
And all You say we are
Jesus, in Your name we could change the world

We believe that Your grace is stronger
Than all our faults and failures
We believe that Your love
Is deeper than our hearts can fathom
So could we live like this
And shine in all the world
Could we live like this?

Yes, our God is all He says, all He says He is
Jesus, in Your name we could change the world
We stand in Your love, in Your power
And all You say we are
Jesus, in Your name we could change the world

We're saying, "yes, Lord, yes, Lord!"
What else could we say, what else could we say?
We're saying, "yes, Lord, yes, Lord!"
We're going all the way, we're going all the way
We're going to live like this

Yes, our God is all He says, all He says He is
Yes, our God is all He says, all He says He is

Yes, our God is all He says, all He says He is
Jesus, in Your name we could change the world
We stand in Your love, in Your power
And all You say we are
Jesus, in Your name we could change the world

We're going to live like this
Jesus, in Your name we could change the world
We believe, we believe
Jesus, in Your name we could change the world
