

# Hang Tight

Matt Webb

I don't want it  
I won't return it  
It's hard to word but you know I don't deserve it  
Make time for the next cliché  
Take shelter but it hits us anyway

Hang tight cause you might as well  
You say you're sorry but it's hard to tell  
And you know and you know and you know that  
I'm over being overwhelmed  
I'll wait for you to wait for me to

Hang tight cause it feels like home  
Taking comfort in the sticks and stones  
And you know and you know and you know that  
I'm over being overthrown  
I'll wait for you to wait for me to

I can't deny that I  
Don't have the thoughts cross my  
Drifting mind heavy heart say goodbye should I  
Suit up for the next cliché  
Run for shelter but it gets us anyway

Hang tight cause you might as well  
You say you're sorry but it's hard to tell  
And you know and you know and you know that  
I'm over being overwhelmed  
I'll wait for you to wait for me to

Hang tight cause it feels like home  
Taking comfort in the sticks and stones  
And you know and you know and you know that  
I'm over being overthrown  
I'll wait for you to wait for me to

Can't stop bombs drop then we clean up the mess  
Patchwork repairs and we sweep up the rest  
Move on act strong baby who would have guessed  
The battle goes on and on

Hang tight cause you might as well  
You say you're sorry but it's hard to tell  
And you know and you know and you know that  
I'm over being overwhelmed  
I'll wait for you to wait for me to

Hang tight cause it feels like home  
Taking comfort in the sticks and stones  
And you know and you know and you know that  
I'm over being overthrown  
I'll wait for you to wait for me to

Hang tight cause you might as well  
You say you're sorry but it's hard to tell  
And you know and you know and you know that  
I'm over being overwhelmed

I'm over being overwhelmed
