

Family

Matt Wertz

I'll begin
I know you're scared
No one told you then "Be this"
Feeling frail
With so much to bare
I know it's not fair
But what is

When push starts shoving
You're left with nothing
Just know we'll always be family

Don't give up
When the road gets rough
Cause we're flesh and blood
I'm here for you
In sinking sand
Just grab my hand
And with all I have
I'll hold on

Oh, when push starts shoving
You're left with nothing
Just know we'll always be family

After all that we've been through
I will walk with you

Oh when starts shoving
You're left with nothing
Just know we'll always be
Oh when starts shoving
You're left with nothing
Just know we'll always be...family
