

Feels So Right

Matt Wertz

Are you ready to hear it
Got this feeling and it won't go away
I don't know how to hide it
So it's time that I finally say

Ooh... It feels so right
Knowin' I could love you for the rest of my life
Ooh... It feels so right
Knowin' I could love you for the rest of my life

I can't wait any longer
I don't know if you can receive
My love keeps growing stronger
If you say yes, I'll give you everything

Ooh... It feels so right
Knowin' I could love you for the rest of my life
Ooh... It feels so right
Knowin' I could love you for the rest of my life
Knowin' I could love you for the rest of my life

Ooh... Feels so right
Ooh... Feels so right

Ooh... It feels so right
Knowin' I could love you for the rest of my life
Ooh... It feels so right
Knowin' I could love you for the rest of my life
Knowin' I could love you for the rest of my life
Knowin' I could love you for the rest of my life
