Honest Man

My hands are dirty My collar blue But I got love strong enough for you. If you were my woman And I was your man I'd love you as strong, as hard as I can

Cause I'm an honest man, Make an honest wage I don't got no treasures to get in my way. But if you were my woman And I was your man I'd give you my love, it's all that I have

I won't try to be something I ain't You can't trace my bloodline to princes and saints. If you were my woman And I was your man I'd love you forever, with all that I am I'd love you forever, with all that I am I'd love you forever, with all that I am
