

Loved By You

Matt Wertz

Honey I can't help it
I get scared sometimes
It's a crazy feeling
Looking in your eyes
Stronger than thunder
Or a desert wind
I'm barely holding on
Keeping up with this

No, I won't let it go until you're all mine

Oh yeah

Baby I'm on fire
You make me feel so good
I've finally found somebody
That's gonna be worth it
I can't turn back now
I can't change the truth
I wanna be loved by you

ooooh

Take a running start
Into a leap of faith
I can't turn back now
I won't hesitate
Baby from here on out it's just you and me
Baby all we got is all we need
Oh we're gonna see

Baby I'm on fire
You make me feel so good
I've finally found somebody
That's gonna be worth it
I can't turn back now
I can't change the truth
I wanna be loved by you

Zero to sixty with the windows down
And a heart wide open without a doubt

Baby I'm on fire
You make me feel something
Baby I'm on fire
You make me feel something
I finally found somebody
That's gonna be worth it
I can't turn back now
I can't change the truth
I wanna be loved by
I wanna be loved by you
Loved by you
(Baby I'm on fire)
Loved by you
Loved by you
(Baby I'm on fire)
