

## Sell Out

Matt Wertz

Wouldn't it be cool  
If it was our job to  
Write music for a living  
You could come over every afternoon

We could record some songs  
And have Eric sing along  
Only stopping for dinner  
Dinner at Mary Ann's

But I'd never wanna sell out  
Sell out to you  
Sell out to you  
No I'd never wanna sell out  
Sell out to you

We could invite our friends  
Over for a jam  
We could listen to Jimmy  
Some clarity for our lives

Our pride would wait outside  
Maybe it waits all night  
But we've got no plans for tomorrow  
Except to do it all again

But I'd never wanna sell out  
Sell out to you  
Sell out to you  
No I'd never wanna sell out  
Sell out to you

And maybe then you'd see  
Just what you mean to me  
You know our lives would be so free  
And nothing would get us down
