

## Someone Like You

Matt Wertz

I spent all morning remembering you  
In hopes of proving all of this truth  
'Cause me and the moonlight spent all of last night  
Finally caught your eye

Baby I confess, I was not expecting this  
(I have been waiting for someone like you)  
Baby I must admit, I got used to loneliness  
(I have been waiting for someone like you)  
Someone like you, someone like you

An afternoon finds me further along  
Could patience be better?  
Should I move on? (No)  
But it's all I can do not to call you  
But your number's still left on my hand

Baby I confess, I was not expecting this  
(I have been waiting for someone like you)  
Baby I must admit, I got used to loneliness  
(I have been waiting for someone like you)

Maybe I'm foolish, there's nothing to this  
My hope is gone  
What if you were feeling like I do  
I'm dying to see you again

Baby I confess, I was not expecting this  
(I have been waiting for someone like you)  
Baby I must admit, I got used to loneliness  
(I have been waiting for someone like you)

Baby I confess, I was not expecting this  
(I have been waiting for someone like you)  
Baby I must admit, I got used to loneliness  
(I have been waiting for someone like you)  
Someone like you, someone like you,  
Someone like you, someone like you  
Someone like you
