

Take It Or Leave It

Matt Wertz

You got me worried, baby
When you lose control
You're up and down, hot and cold
Back and forth

And it seems like lately
You're coming undone
Cuz everything I say or do
Just ain't enough

Whoa, there's no turning back
Whoa, what you see is what you get

Take it or leave it
You gotta let me know
My heart stops beatin'
When ya pick it up and let it go

You're living on feelin'
And you're hurting mine
If you knew what you needed
We could put this all behind, behind

Somethin' gotta give
Baby, what's it gonna take
Cuz we can't keep on living
Between love and hate

Whoa- girl, make up your mind
Whoa, we're running out of time

Take it or leave it
You gotta let me know
My heart stops beatin'
When ya pick it up and let it go

You're living on feelin'
And you're hurting mine
If you knew what you needed
We could put this all behind, behind

All I got to give may not be much but still I know
If you love me for the man I am I will show

You the world and more, so let me in and you will see
Oh, just let it be

Take it or leave it
You gotta let me know
My heart stops beatin'
When ya pick it up and let it go

You're living on feelin'
And you're hurting mine
If you knew what you needed
We could put this all behind, behind
