

# When It Feels Like This

Matt Wertz

There ain't much guaranteed in this life  
Things always seem to come and go  
Sometimes what starts out so perfect  
Just ends up bad and broke

Some promises fall by the wayside  
Made by people just like me and you  
I know in my best I'm a weak man  
Girl I know this much is true

I'll give you all that I have to give  
Every moment that I got left  
Cause I'm starting to think  
That love is worth the risk  
When it feels like this

Well a woman like you could do better  
But there's no doubt that I'd like to be  
The one by your side every morning and night  
Through the bitter the bland and the sweet

I'll give you all that I have to give  
Every moment that I got left  
Cause I'm starting to think  
That love is worth the risk  
When it feels like this

There's hope in my heart  
There's light in my eyes  
So much is new since you've been in my life  
I'm a mess of a man  
But I'll do all I can  
To make all your dreams come true

I'll give you all that I have to give  
Every moment that I got left  
And I'm starting to think baby  
That love is worth the risk

I'll give you all that I have to give  
Every moment that I got left  
Cause I'm starting to think  
That love is worth the risk  
When it feels like this
