

Just What I'm Looking For

Matt White

All is silent, alone in the darkness
Trying to help you, I swear I'm telling you the truth
Now I'm going alone, leaving it tomorrow
I'm looking at your tears and I don't know how I'll say

Goodbye, you're just what I'm looking for
There's no one I want more
You're just what I'm looking for, yeah

Miles away now, another dark hotel room
I'll keep my promise of that I'm coming home soon
And I know you're alone 'cause I can hear your crying
When I hear your voice, it makes it hard for me to say

Goodbye, you're just what I'm looking for
And this I know for sure
There's no one I want more
You're just what I'm looking for

Sometimes I am afraid
Of losing your precious games
Oh, please don't give in now
Turn it down and throw it all way, hey, hey, hey

You're just what I'm looking for
And this I know for sure
There's no one I want more
You're just what I'm looking for

Oh please, don't go walking out the door
'Cause you're just what I'm looking for, yeah
