

Miracles

Matt White

When I was alone, all these tears I cry
Every night, my love
When I see you smile, takes my breath away
Every night, my love

When I was young, oh
I didn't believe in anything
Now that I'm strong
I just think that I, maybe I love you

I believe in miracles, my love, do you?
I believe that you and I could feel, do you too?
I believe in miracles, my love, I hope you do too

All those summer nights
I would always try to see your face, my love
Something that I said, told you not to feel
Don't be sad, my love

When I was strong, oh
I didn't believe in anything
When I was wrong
I just think that I, maybe I love you

I believe in miracles, my love, do you?
I believe that you and I could be, do you too?
I believe in miracles, my love, I hope you do too

I know I'd be with you
If I try and change my ways
Can I see you in a long, long day?
I want to be with you
My love is here to stay

I believe in miracles, my love, do you?
I believe that you and I could be, do you too?
I believe in miracles, my love, I hope you do too
I, I hope, I hope you do too, I hope you do too
