

# Wait For Love

Matt White

It's like a quarter to three  
And I just can't sleep  
'Cause I'm thinking of you

And all those times we cried  
Did we really try?  
Now I'm dreaming in blue

No matter where we say goodbye  
I tell you, baby  
Keep your head high

I'll wait for love  
I'll wait for you  
I'll wait for love  
I'll wait, will you?

When times are hard  
I think of you  
I'll wait for love  
I'll wait for love

And looking in my eyes  
We're both telling lies  
Asking too much of you

And when you kiss my lips  
That is what I miss  
Not knowing we be through

No matter when we say goodbye  
I tell you, darling  
I won't cry

I'll wait for love  
I'll wait for you  
I'll wait for love  
I'll wait, will you?

When times are hard  
I think of you  
I'll wait for love  
I'll wait for love

Your eyes still gaze at me  
Through pictures  
You could just be the one  
That gotta wait

I look down at the phone  
It's your number  
Too many times a day

I'll wait for love  
I'll wait for you  
I'll wait for love  
I'll wait, will you?

When times are hard  
I think of you  
I'll wait for love  
I'll wait for love
