

Oh Be Joyful

Matthew Good Band

Here I go
Pop my skull ready to lose control
Cruising slow
Live your life outside the life you know

Oh be Joyful!
Cause that shit spreads
Oh be Joyful!
Cause that shit spreads

Here we go
Pop your skull -- off the air, lose control
Get up and go
Five fingers, one of them lets you know

Oh be Joyful!
Cause that shit spreads
Oh be Joyful!
Cause that shit spreads

Just like that

Oh be Joyful!
Cause that shit spreads
Oh be Joyful!
Cause that shit spreads
