

## She's Got A New Disguise

Matthew Good Band

Suffocate for me  
well you can pretend that you're pretty  
it's too loud in here for me to tell  
I wonder when you move  
do you look to see who's watching you  
locked in the groove, little bird  
what will it cost to buy you back  
to buy your eyes, to buy your smile  
well she wants to be the same  
she wants a new name  
she wants a new disguise

And all I want is you  
all I want's the truth  
she's got a new disguise  
pull the shade and lock the door  
you don't need it anymore  
she's got a new disguise

suffocate for me, little bird  
mirrors over your bed  
god lives above your head, little bird  
well I remember everything you say  
everything you do, everything you always wanted  
breathe for me, little bird

where is the face that you know
