

# Tonight

Matthew Mayfield

Where am I headed?  
Got my back against the wall  
Can't go on, can't move forward  
When I'm up against it all

For you, I know  
I must let you go  
Everybody waits in line  
For you

Tonight  
I feel like giving up this right  
Oh this right  
Tonight  
I don't feel like filling up the ocean
