

# Feels Like Letting Go

Matthew Perryman Jones

Oh my love  
help me open my heart again  
tear it open let the rain fall in  
wash this hardness underneath my skin  
oh my love  
let me hear your voice come through  
I wanna know the love inside of you  
make this dark heart believe in what is true

I know that in the dark there's a fear of letting go  
I know that in my heart that I fear what I don't know

And this feels like I'm letting go  
and this feels like I'm letting go  
I'm letting go

It's hard to trust  
when your hearts been broken times before  
you pull the curtains and you lock the doors  
swear you'll never go out anymore

I know that in the dark there's a fear of letting go  
I know that in my heart that I fear what I don't know

Well I'm stepping out  
I can't see there is no sound  
a seeming void becomes a solid ground  
I sight I lost becomes a faith I've found

I'm letting go, I'm letting go  
I'm letting go, I'm letting go  
I'm letting go, I'm letting go  
letting go, I'll let it go
