

Dark Secret

Matthew Sweet

You are sickened by the weakness
Of a heart that's filled with fear
And if the world won't understand you
You can make it disappear

'Cause there's a dark secret
Carry with you
Carry with you

And deep inside, the way you hate them
On the outside, doesn't show
And, oh, they think that they defy you
They are slaved to what you know

It's a dark secret
Carry with you
Carry with you

And it's a dark secret
Carry with you
Carry with you

And it's a dark secret
Carry with you
Carry with you

It's a dark secret
Carry with you
It's a dark secret
Carry with you

It's a dark secret
Carry with you
