Devil With The Green Eyes

Matthew Sweet

I can understand you're living in a prison I know you can only see me as a vision I might fade away with the coming of a new dawn

And your heart is breaking What are you gonna do now That you're tired of faking it? What are you gonna do now? Well, it's hard to take it When you know what happens each time

The Devil with the green eyes Said, you were never meant to be mine 'Cause I came up from a dark world And every love I've ever know is dead

If you come close enough to see I am inhuman I will tell you why you're feeling so uncertain Every word I say, has a way of turning Evil in you

And your heart is breaking What are you gonna do now That you're tired of faking it? What are you gonna do now? Well, it's hard to take it When you know what happens each time

The Devil with the green eyes Said, you were never meant to be mine 'Cause I came up from a dark world And every love I've ever know is dead

And your heart is breaking What are you gonna do now That you're tired of faking it? What are you gonna do now? Well, it's hard to take it When you know what happens each time

The Devil with the green eyes Said, you were never meant to be mine 'Cause I came up from a dark world And every love I've ever known Every love I've ever known Every love I've ever know is dead
