Does She Talk?

Matthew Sweet

She's just your size She's sexy she's beautiful Does she talk? She's just your size She's sexy she's beautiful Does she talk? 'Cause man you can't teach A slithering snake how to talk

Did she lick your palm To tell you your fortune tonight? Did she lick your palm To tell you your fortune tonight? You know sometimes it just isn't worth Putting up a fight, is it?

Gonna need you a key To open the door to her heart Gonna need you a key To open the door to her heart Or are you afraid her body is Missing that part?

Well I can you up the You can me up the Alright Well I can you up the You can me up the Alright Because they took channel 23 Off the air last night Down home

You're gonna like it You're gonna like it
