

# Don't Go

Matthew Sweet

Don't go  
Don't let my love drive you away  
There is so much I have left to say  
Oh don't go  
Don't bring my darkness to the day  
There is so much I have left to say  
Oh don't go

There is so much I have left to say  
Come back  
You know I wrote another song  
They keep telling me the past is gone  
But it looks like  
My evil deeds are coming 'round  
I can't watch them put you in the ground  
Oh don't go

I can't watch them put you in the ground  
Don't go

Don't go  
Don't make me have to say goodbye  
'Cause I need to look you in the eye  
Oh don't go  
I still need to look you in the eye  
Don't go

I still need to look you in the eye  
Don't go  
No don't go
