

## Evergreen

Matthew Sweet

As soon as I found you, baby, you know  
They took you away  
You put your little hands together and

You started to pray  
All your prayers, they brought no answer  
Your faith was a lie

There's no difference  
Between the earth and the sky  
There's no reason, we have to die

Whenever you talk that way you know  
You're breaking my heart  
How can we ever come together when

We're playing these parts  
In every love there is a promise  
So, baby, don't you cry

'Cause there's no difference  
Between the earth and the sky  
There's no reason, we have to die

Every love there is a promise  
So, baby, don't you cry

There's no difference  
Between the earth and the sky  
There's no reason, we have to die
