

## Faith In You

Matthew Sweet

I'm looking all around me  
And there's so much room to move  
But I don't believe in miracles  
Should I put my faith in you?

I lay down in the evening  
And I look up at the stars  
But I don't believe in miracles  
Should I put my faith in ours?

I wake up in the morning  
And I look up at the blue  
For something deep inside of me  
Should I put my faith in you?  
Should I put my faith in you?

What do I have to believe in?  
Now that everything else was a lie  
Should I put my faith in you?  
Should I put my faith in you?

What do I have to believe in  
Now that everything else was a lie  
Should I put my faith in you?  
Should I put my faith in you?

I lay down in the evening  
And I look up at the stars  
But I don't believe in miracles  
Should I put my faith in ours?

I wake up in the morning  
And I look up at the blue  
For something deep inside of me  
Should I put my faith in you?  
Should I put my faith in you?

Should I put my faith in you?  
Should I put my faith in you?  
Should I put my faith in you?
