

# I Wanted To Tell You

Matthew Sweet

Do just what you want to  
I think you're right  
I do what I want to to  
I do what I want to to  
I let the world surround me  
'Cause I saw no real harm  
I didn't stop to think of you  
You were already in my arms  
I was wrong but I

I wanted to tell you  
I wanted to tell you  
What I couldn't say [love]  
I needed to find mine  
But it took me a long time to see

Love... well never mind  
I know how you feel about that  
Now what do you think  
About time? [something...]

I wanted to tell you  
I wanted to tell you  
What I couldn't say [love]  
I needed to find mine  
But it took me a long time to see

I do what I want to to  
I do what I want to to  
I do what I want to to  
I do what I want to to  
I let the world surround me  
'Cause I saw no real harm  
I didn't stop to think of you  
You were already in my arms  
But there was something...

I wanted to tell you  
I wanted to tell you  
What I couldn't say [love]  
I needed to find mine  
But it took me a long time to see

Love...
