

We're The Same

Matthew Sweet

I don't have to speak and you know what I'm thinking
You don't need to hear what I say
I don't have to ask and you'll guess what I'm seeking
You don't need to hide what you know
Baby, we're the same
When we fail in each other's eyes
Baby, we're the same
So you should not be surprised when I swear to you
I never told you what to do
Maybe it's me
Maybe it's you
I don't have to act so you'll know what I'm feeling
You don't need to see to believe
Baby, we're the same
When we shine in each other's sky
Baby, we're the same
Sometimes it's me
Sometimes it's you
