

Come On, Christmas

Matthew West

It's almost Christmas time, everybody
And I can't wait

I left the lights up all year 'round
I just couldn't bear the thought of takin' 'em down
I've been singing "Jingle Bell Rock" since July
All the neighbors look at me like
I'm crazy but I
I, got a feeling that I just can't shake
You see it's lasted three hundred sixty four days
And now I'm too excited, I can't sleep a wink and
I stare at the snow outside my window just thinkin'

Come on, Christmas
I don't know why you're taking so long, Christmas
Well, I've been waiting all year for you to get here
And I can't take another second, can't you hear me beggin'
Hurry up, Santa Claus
Here's my number just in case your reindeer get lost
I sure wouldn't mind, if you're early this time
So, come on, come on, come on, Christmas
Come on, Christmas

Well, there's just something about this time of year
You can feel the excitement in the air
Everyone's hangin' with family and friends
And it's making you feel like a kid once again

Steal a kiss under the mistletoe
While old Bing sings, "Let It Snow, Let It Snow"
The only thing that's left on my Christmas list is
I'm hopin' to catch a peek of old' St. Nick

Come on, Christmas
I don't know why you're taking so long, Christmas
Well, I've been waiting all year for you to get here
And I can't take another second, can't you hear me beggin'
Hurry up, Santa Claus
Here's my number just in case your reindeer get lost
I sure wouldn't mind, if you're early this time
So, come on, come on, come on, Christmas

Hearts are racing all around the world
Smiling faces on the boys and girls
Waiting just to hear those sleigh bells ring
Singing, come on, Christmas do your thing

Come on, Christmas
I don't know why you're taking so long, Christmas
Well, I've been waiting all year for you to get here
And I can't take another second, can't you hear me beggin'
Hurry up, Santa Claus
Here's my number just in case old Rudolph gets lost
I sure wouldn't mind, if you're early this time
So, come on, come on, come on, Christmas

(Hearts are racing all around the world)

Hearts are racing
(Come on, Christmas)
Come on, Christmas
I can't wait any longer
And the feel is getting stronger
So what you're waiting for?
Come on, come on, come on, Christmas
