

# Family Tree

Matthew West

You didn't ask for this  
Nobody ever would  
Caught in the middle of this dysfunction  
It's yoursad reality  
It's your messed up family tree  
And all your left with all these questions

Are you gonna be like your father was and his father was?  
Do you have to carry what they've handed down?

No, this is not your legacy  
This is not your destiny  
Yesterday does not define you  
No, this is not your legacy  
This is not your meant to be  
I can break the chains that bind you

I have a dream for you  
It's better than where you've been  
It's bigger than your imagination  
You're gonna find real love  
And you're gonna hold your kids  
You'll change the course of generations

No, this is not your legacy  
This is not your destiny  
Yesterday does not define you  
No, this is not your legacy  
This is not your meant to be  
I can break the chains that bind you

Cause you're my child  
You're my chosen  
You are loved  
You are loved

And I will restore  
All that was broken  
You are loved  
You are loved

And just like the seasons change  
Winter into spring  
You're brining new life to your family tree now  
Yes you are  
You are

No, this will be your legacy  
This will be your destiny  
Yesterday did not define you  
No, this will be your legacy  
This will be your meant to be  
I can break the chains that bind you

And just like the seasons change  
Winter into spring  
You're brining new life to your family tree now
