

# Just Like You

Matthew West

Just like You, it's just like You

Lord, Your wonders never cease to amaze me  
'Cause every time I get down upon my knees  
I know You hear me

And I've been less than faithful  
Oh but You've been more than graceful  
When anybody else would have walked away

But it's just like You to save me  
Well, it's just like me to run and hide  
And it's just like love to take me as I am  
And make me just like You  
Well, it's just like You, alright

Well, I could think of a million reasons why  
I don't deserve your love  
And I could try and try and try  
But I could never be good enough

'Cause I am just a sinner  
Oh but I've been saved by grace  
You see the heart of me  
Oh but you love me anyway

And it's just like You to save me  
It's just like me to run and hide  
And it's just like love to take me as I am  
And make me just like You  
It's just like You, yeah

Just as I am without one plea  
But that Thy blood was shed for me  
You see everything I do  
Oh, still somehow You choose to love me  
And ain't that, well, ain't that

Just like You, yeah, to save me  
Oh, when it's just like me to run and hide  
And it's just like love to take me as I am  
And make me just like You, yeah, alright

It's just like You  
It's just like You  
Just like You
