

# Love Has No Walls

Matthew West

Yeah alright  
There's a church on the corner in a harbor town  
Where the stained glass lets the sun shine through  
When Sunday morning rolls around  
The people come to hear about the truth

The choir sings, 'Amazing Grace'  
Then you could hear the Preacher say

Love has no walls  
Love needs no space or time  
Reach out your heart  
Has no walls

One day a hurricane swept through that town  
Worst storm you ever did see  
Next Sunday morning when no church could be found  
The people still gathered out in the street

And the choir sang, 'Amazing Grace'  
Then, you could hear the Preacher sayin'

Love has no walls  
And love needs no space or time  
Reach out your heart

?Cause love has no walls, yeah  
Alright, has no walls  
Love has no walls

There's a church on the corner in a harbor town  
They're singing about 'Amazing Grace'

Love has no walls, alright  
And love needs no space or time  
So reach out your heart

Love has no walls, alright  
And love needs no space or time  
So reach out your heart

Love has no walls  
Love needs no space or time  
Reach out your heart  
All you got to do is reach out  
All you got to do is reach out
