Take a look at the mountains Stretching a mile high Take a look at the ocean Far as your eye can see And think of Me

Take a look at the desert Do you feel like a grain of sand? I am with you wherever Where you go is where I am

And I'm always thinking of you Take a look around you I'm spelling it out one by one

I love you more than the sun
And the stars that I taught how to shine
You are mine, and you shine for me too
I love you yesterday and today
And tomorrow, I'll say it again and again
I love you more

Just a face in the city
Just a tear on a crowded street
But you are one in a million
And you belong to Me

And I want you to know That I'm not letting go Even when you come undone

I love you more than the sun
And the stars that I taught how to shine
You are mine, and you shine for me too
I love you yesterday and today
And tomorrow, I'll say it again and again
I love you more
I love you more

Shine for Me Shine for Me Shine on, shine on Shine for Me

I love you more than the sun
And the stars that I taught how to shine
You are mine, and you shine for me too
I love you yesterday and today
And tomorrow, I'll say it again and again
I love you more

Than the sun and the stars that I taught how to shine You are mine, and you shine for me too I love you, yesterday and today Through the joy and the pain I'll say it again and again

I love you more
I love you more

And I see you
And I made you
And I love you more than you can imagine
More than you can fathom
I love you more than the sun
And you shine for me
