Save A Place For Me

Matthew West

Don't be mad if I cry It just hurts so bad sometimes 'Cause everyday it's sinking in And I have to say goodbye all over again You know I bet it feels good to have the weight of this world Off your shoulders now I'm dreaming of the day When I'm finally there with you Save a place for me Save a place for me I'll be there soon I'll be there soon Save a place for me Save some grace for me I'll be there soon I'll be there soon I have asked the question why But I guess the answer's for another time So instead I'll pray With every tear And be thankful for the time I had you here Save a place for me Save a place for me I'll be there soon I'll be there soon Save a place for me Save some grace for me I'll be there soon I'll be there soon And I wanna live my life Just like you did Make the most of my time Just like you did And I wanna make my home up in the sky Just like you did Oh, but until I get there Until I get there Save a place for me Save a place for me Cause I'll be there soon Save a place for me Save some grace for me I'll be there soon I'll be there soon
