

# Something To Say

Matthew West

Wake up, 7:32 AM  
Can't believe it's time to do it over again  
Yesterday, it took all that you had  
And you're wonderin' if you'll ever get it back  
But the whole wide world is waiting for  
Waiting for you to step out that door  
Come on and let your life be heard today

You got something to say  
If you're livin', if you're breathin'  
You got something to say  
And you know if your heart is beatin'  
You got something to say  
And no one can say it like you do  
God is love and love speaks through  
You got it, you got it  
You got something to say

Yeah, yeah  
Something to say  
Yeah, oh

Listen up, I got a question here  
Would anybody miss you if you disappeared?  
Well your life is the song that you sing  
And the whole wide world is listening  
Well the answer to the question is  
You were created, your life is a gift and  
The lights are shining on you today, 'cause

You got something to say  
If you're livin', if you're breathin'  
You got something to say  
And you know if your heart is beatin'  
You got something to say  
And no one can say it like you do  
God is love and love speaks through  
You got it, you got it  
You got something to say

Yeah  
You got something to say  
Come on, come on, yeah

Sing na na na na na na na na  
Na na na na na na  
Na na na na na, yeah

Listen up, I got a question here  
Would anybody miss you if you disappeared?  
Well your life is the song that you sing  
And the whole wide world is listening

Oh

You got something to say  
And no one can say it like you do

God is love and love speaks through  
You got it, you got it  
You got something to say

Yeah  
Something to say  
Come on, come on, yeah

And the world is listening now  
And the lights are shining down  
Shining down on you today, 'cause  
You got something to say  
So just say it
