

# The Day Before You

Matthew West

I had all but given up  
On finding the one  
That I could fall into  
On the day before you

And I was ready to settle for  
Less than love and not much more  
There was no such thing as a dream come true  
Oh, but that was on the day before you

Now you're here and everything's changing  
Suddenly life means so much  
And I can't wait to wake up tomorrow  
And find out this promise is true

I will never have to go back to  
The day before you

In your eyes I see forever  
It makes me wish  
That my life never knew  
The day before you

Oh, but heaven knows those years without you  
Were shaping my heart for the day that I found you  
And if you're the reason for all I've been through  
Then I'm thankful for the day before you, yeah

'Cause now you're here and everything's changing  
And suddenly life means so much  
And I can't wait to wake up tomorrow  
And find out this promise is true

I will never have to go back to  
The day before you

It was the last day  
That I ever lived alone  
And I'm never going back  
No, I'm never going back

Now you're here and everything's changing  
And suddenly life means so much  
And I can't wait to wake up tomorrow  
And find out this promise is true

I will never have to go back to  
I will never have to go back to  
The day before you  
The day before you

I'm never going back  
I'm never going back  
I'm never going back  
To the day before you
