

The turnaround

Matthew West

This rock is tied around my ankle
This thorn is buried in my skin
I wonder why I have to struggle
But then again

If I wasn't drowning
I wouldn't need you to save me
And if I wasn't broken
I wouldn't need you to heal me
You keep me broken

Don't let this river get lost in the ocean
Don't let this rock take me down, down, down
My heart is standing at the edge of the world
I need you to help me make the turnaround

So many puzzles with no answers
So many questions with no peace
So many second guesses
But then again I guess

If I wasn't drowning
I wouldn't need you to save me, no
If I wasn't broken
I wouldn't need you to heal me
Oh Lord, I'm drowning

Don't let this river get lost in the ocean
Don't let this rock take me down, down, down
'Cause my heart is standing at the edge of the world
I need you to help me make the turnaround

Help me make the turnaround
I need you
I need you

I need you
I know I need you

Don't let this river get lost in the ocean
Don't let this rock take me down, down, down
My heart is standing at the edge of the world
I need you to help me make the turnaround

Help me make the turnaround
I need you
I need you
I need you

Help me make the turnaround
I'm standing at the edge
I'm standing at the edge
And I need you
Well, I need you
