

# The turnaround

Matthew West

This rock is tied around my ankle  
This thorn is buried in my skin  
I wonder why I have to struggle  
But then again

If I wasn't drowning  
I wouldn't need you to save me  
And if I wasn't broken  
I wouldn't need you to heal me  
You keep me broken

Don't let this river get lost in the ocean  
Don't let this rock take me down, down, down  
My heart is standing at the edge of the world  
I need you to help me make the turnaround

So many puzzles with no answers  
So many questions with no peace  
So many second guesses  
But then again I guess

If I wasn't drowning  
I wouldn't need you to save me, no  
If I wasn't broken  
I wouldn't need you to heal me  
Oh Lord, I'm drowning

Don't let this river get lost in the ocean  
Don't let this rock take me down, down, down  
'Cause my heart is standing at the edge of the world  
I need you to help me make the turnaround

Help me make the turnaround  
I need you  
I need you

I need you  
I know I need you

Don't let this river get lost in the ocean  
Don't let this rock take me down, down, down  
My heart is standing at the edge of the world  
I need you to help me make the turnaround

Help me make the turnaround  
I need you  
I need you  
I need you

Help me make the turnaround  
I'm standing at the edge  
I'm standing at the edge  
And I need you  
Well, I need you
