

# Unchangeable

Matthew West

You wait for someone to choose you  
You wait for someone to stay  
But the only love that you're used to  
Is the kind that goes away

You're thinking maybe your daddy was right when  
He said you're just a mistake  
But I was holding your heart when  
Those cold words made it break

My love, My love, My love  
My love is unchangeable  
And there's nothing you can do to change My mind

They'll make you feel like you're worthless  
'Til you believe that it's true  
But I look at you and see priceless  
They don't know you like I do

I dreamed you into existence  
I put the stars in your eyes  
Now let the truth of this promise  
Speak louder than the lies

My love, My love, My love  
My love is unchangeable  
And there's nothing you can do to change My mind

My love, My love, My love  
My love is unchangeable  
And My love is gonna change your mind

You're not a mistake  
You're not a mistake  
I know the plans I have for you  
To give you a hope and a future

You're not a mistake  
You're not a mistake  
I know the plans I have for you  
To give you a hope and a future

My love, My love, My love  
My love is unchangeable  
And there's nothing you can do to change My mind

My love, My love, My love  
My love is unchangeable  
And my love is gonna change your life

My love is unchangeable

When the world walks away I will stay with you

When the world walks away I will stay with you (3x)  
You are not a mistake
