

# Waitin' On A Miracle

Matthew West

I'm down to my last drop of faith  
My last ounce of strength  
My knees are worn  
From waitin' on a miracle

I've prayed, God, I've prayed  
I've stormed the gates in Jesus' name  
Crying out night and day  
Just waitin' on a miracle

But I don't know how much longer  
I can hold out hope tonight  
And I wish my will was stronger  
But instead I'm just a weary heart  
Waitin' on a miracle

Just waitin' on a miracle...

I've heard Your hands can calm a raging sea  
Can You calm the storm in me  
'Cause that's how it feels  
When you're waitin' on a miracle

And I don't know how much longer  
I can hold out hope tonight  
And I wish my will was stronger  
But instead I'm just a weary heart  
Waitin' on a miracle

Waitin' on a miracle...

And I don't know how much longer  
I can hold out hope tonight  
And I wish my will was stronger  
But instead I'm just a weary heart  
Waitin' on a miracle

Just waitin' on a miracle...

And my soul longs for the day  
When I see the answer to the prayer I've prayed  
And it'll all be worth the wait  
Waitin' on a miracle...
