

# Wonderfully Made

Matthew West

Once upon a time  
Life was so innocent  
Somewhere along the line  
You're smile came and went

They made you feel like  
You just don't measure up  
They try to steal your light  
But you are a treasure of  
The maker of the stars, the stars

You don't have to wonder  
You are wonderfully made  
Perfectly beautiful in every way  
Wonderfully, wonderfully made  
You're anything but typical it's true  
They ain't seen anybody quite like you  
God never makes a mistake  
You are wonderfully, wonderfully made

See, once upon a time  
There was a secret place  
Where heaven's hand designed  
Even those freckles on your face

Some things you'd rather trade  
Some things you try to fix  
Love has one thing to say  
It's perfect just the way it is, just the way it is

You don't have to wonder  
You are wonderfully made  
Perfectly beautiful in every way  
Wonderfully, wonderfully made  
You're anything but typical it's true  
They ain't seen anybody quite like you  
God never makes a mistake  
You are wonderfully, wonderfully made

So the world could see the works of God on display  
So let your doubts and your fears and your questions fade away  
Just let 'em fade away...

Once upon a time life was so innocent  
I think it's time that smile found its way back home again

You don't have to wonder  
You are wonderfully made  
Perfectly beautiful in every way  
Wonderfully, wonderfully made  
You're anything but typical it's true  
They ain't seen anybody quite like you  
God never makes a mistake  
You are wonderfully, wonderfully made  
You are wonderfully, wonderfully made
