

# Speak To Me

Matty Mullins

There is a voice that speaks.  
There is a voice that speaks to my fearful heart,  
It tells me you're not far.  
It's in the words I read.  
In the words I read I see the red letters are  
Love pouring from your scars.

Speak to me! Speak to me! Speak to me!  
I want to hear you loud and clear.  
(I want to hear you loud and clear.)  
You can say anything, I'm listening.  
I just want to know that you are near.  
I want to hear you loud and clear.

It's only on my knees.  
Only on my knees I see just who you are.  
I see your fearless heart.  
Now there is hope I see.  
Now there is hope I see a light in the dark!  
This is where life starts.  
I'll be silent, I'll be still.  
Just speak to me.  
You are the only one I need to hear.

Speak to me! Speak to me! Speak to me!  
I want to hear you loud and clear.  
You can say anything, I'm listening.  
I just want to know that you are near.  
I want to hear you loud and clear.

Speak to me in the wind & the rain.  
When I call out your name  
I want to feel you here.  
I want to hear you loud and clear.

Speak to me in the night & the day.  
When I'm weak in my faith  
I want to know you're near.  
I want to hear you loud and clear.

Words fall softly from your lips  
& rest upon my ears.  
In the darkness I cry out & you appear.

Speak to me! Speak to me! Speak to me!  
I want to hear you loud & clear.  
You can say anything, I'm listening.  
I just want to know that you are near.  
I want to hear you loud & clear.

Speak to me in the wind & the rain.  
When I call out your name I want to feel you here.  
Speak to me in the night & the day.  
When I'm weak in my faith I want to know you're near.
