

## Are You There

Maureen McGovern

I hear the music comin' out of your radio  
Are you there with another girl instead of me?  
I hear your laughter and there's something I've got to know  
Are you there with another girl instead of me?

Oh, I'm standing on your doorstep and I don't know what to do  
Should I ring your doorbell or just walk away?  
My friends all say that you were never true  
Hiding in the shadows

I see two silhouettes in back of your window shade  
Are you there with another girl when I am gone?  
I can't believe you'd break the promises that you made  
If you're there with another girl, I can't go on

Oh, I only know I love you and I couldn't say goodbye  
So, if there's another, I don't want to know  
If you should go, oh, I would surely die  
Love requires faith, I've got a lot of faith but  
I hear the music comin' out of your radio  
I hear the music comin' out of your radio

Oh, I only know I love you and I couldn't say goodbye  
So, if there's another, I don't want to know  
If you should go, oh, I would surely die  
You would never leave me, hurt me, or deceive me  
I'm a fool to doubt you, worry so about you  
Love requires faith, I've got a lot of faith but  
I hear the music comin' out of your radio  
I hear the music comin' out of your radio

I hear the music comin' out of your radio  
I hear the music comin' out of your radio  
(repeat and fade out)
