Are You There

Maureen McGovern

I hear the music comin' out of your radio
Are you there with another girl instead of me?
I hear your laughter and there's something I've got to know
Are you there with another girl instead of me?

Oh, I'm standing on your doorstep and I don't know what to do Should I ring your doorbell or just walk away?

My friends all say that you were never true

Hiding in the shadows

I see two silhouettes in back of your window shade Are you there with another girl when I am gone? I can't believe you'd break the promises that you made If you're there with another girl, I can't go on

Oh, I only know I love you and I couldn't say goodbye So, if there's another, I don't want to know If you should go, oh, I would surely die Love requires faith, I've got a lot of faith but I hear the music comin' out of your radio I hear the music comin' out of your radio

Oh, I only know I love you and I couldn't say goodbye So, if there's another, I don't want to know If you should go, oh, I would surely die You would never leave me, hurt me, or deceive me I'm a fool to doubt you, worry so about you Love requires faith, I've got a lot of faith but I hear the music comin' out of your radio I hear the music comin' out of your radio

I hear the music comin' out of your radio I hear the music comin' out of your radio (repeat and fade out)
