

Here You Come Again

Maureen McGovern

Here you come again
Just when I've begun to get myself together,
You waltz right in the door
Just like you've done before,
Wrap my heart 'round your little finger

Here you come again
Just when I'm about to make it work without you,
You look into my eyes,
Lie those pretty lies
Pretty soon, I wonder how I came to doubt you

All you got to do
Is smile that smile
There go all of my defenses
Just leave it up to you
And in a little while,
You're messin' up my mind,
Filling up my senses

Here you come again
Lookin' better than a body has a right to
Shakin' me up so
That all I really know
Is here you come again, and here I go

All you got to do
Is smile that smile
There go all of my defenses
Just leave it up to you
And in a little while,
You're messin' up my mind,
Filling up my senses

Here you come again
Lookin' better than a body has a right to
Shakin' me up so
All I really know
Is here you come again, and here I go

Here I go
