

# It Might Be You

Maureen McGovern

Time...

I've been passing time watching trains go by  
All of my life,  
Lying on the sand watching sea birds fly  
Wishing there would be  
Someone waiting home for me  
Something's telling me it might be you  
It's telling me it might be you  
All of my life

Looking back as lovers go walking past  
All of my life  
Wond'ring how they met and what makes it last  
If I found the place  
Would I recognize the face?  
Something's telling me it might be you  
It's telling me it might be you

So many quiet walks to take  
So many dreams to wake  
And we've so much love to make!  
I think we're gonna need some time  
Maybe all we need is time  
And it's telling me it might be you  
All of my life

I've been saving love songs and lullabies  
And there's so much more  
No one's ever heard before  
Something's telling me it might be you  
Something's telling me it must be you  
And I'm feeling it'll just be you  
All of my life

Maybe it's you, maybe it's you  
I've been waiting for all of my life
