

Make Me Rainbows

Maureen McGovern

Make me rainbows
Make me Spring in the snow
Make me beautiful music
Wherever I go
Make me unwind
Leave behind rhyme and reason
Make me a room
Where I'll bloom out of season

Make me sunsets,
Paint our names in the sky,
Let your arms be my wings
And together we'll fly
Don't let me fall
'Til I'm all I can be
Make me some rainbows,
Star-spangled rainbows
Please make those rainbows for me
