

The Island

Maureen McGovern

Make believe we landed
On a desert island
Bathe me in the waters,
Warm me in the moonlight
Taste me with your kisses,
Find the secret places;
Touch me 'til I tremble,
Free my wings for flying
And catch me while I'm falling
Keep your arms around me
Like there's no tomorrow
Let me know you love me

On our little island
Not a soul can see us;
Show me how to love you,
Teach me how to please you
Lay your dreams beside me,
Only stars will listen
To our cries and whispers
You were made to love me
And I was made to love you
Keep your arms around me;
Lose yourself inside me,
Make it last forever

I can see the island
Shining in the distance
Now we're getting closer
Keep your arms around me,
Love, we're almost there!
