

Even In The Rain

Maurette Brown Clark

Never said the way would be easy
Didn't guarantee a permanent smile
Everyday can't always be sunny
Rain has got to come afterwhile

That same rain has a purpose
To wash your tears away
Believe me when I say
I'm working, even the rain
Even in the rain

There are times when you feel
I'm not with you
Troubles of life
Are weighing you down, down
Just know that I'm right there
I'm with you
All you gotta do is look around
Look around

I'm in the winds, the waves,
Yes even your storm
So don't rush those clouds away

Believe me it's okay
I'm working, even in the rain
Even in the rain

Trials may come they won't last too long
Hold fast
I'll be there like I said I would
Understand that it's all in My plan
Even though you may not see it
It's working for your good.

I'm working, I'm working
Even in the rain
Said I'm working, I'm working
Even in the rain

Even in the rain, even in the rain
So go through your rain
Go through your pain
Go through your storm
Go through your cloudy days

Brighter days are coming
Brighter days are coming
Brighter days are coming

Hold on, hold on
Hold on, hold on

I'm coming, I'm coming
I see the tears you cry
I see the pain in your eyes
I see it, I see it, I see it

Feels like it's too heavy
Feels like you can't take the weight
Hold on, hold on, hold on
I'm working
Hold on, hold on, hold on...
