

# It Ain't Over

Maurette Brown Clark

I know the odds look stacked against you  
And it seems there's no way out  
I know the issue seems unchangeable  
And that there's no reason to shout  
But the impossible is God's chance  
To work a miracle, a miracle  
So just know

It ain't over until God says it's over  
It ain't over until God says it's done  
It ain't over until God says it's over  
Keep fighting until your victory is won

He never said it would be easy  
But you're a winner in the end  
Jesus defeated all your enemies  
Way before the fight began  
But the impossible is God's chance  
To work a miracle, a miracle  
So just know

It ain't over until God says it's over  
It ain't over until God says it's done  
It ain't over until God says it's over  
Keep fighting until your victory is won

When people say you can't, remember  
(He can, He will)  
When you don't know what you're gonna do,  
Please remember  
(He has the master plan)  
He will free you from your sin  
And give you peace within  
So you better hold your head up high  
You're gonna win  
(You're gonna win)

It ain't over until God says it's over  
It ain't over until God says it's done  
It ain't over until God says it's over  
Keep fighting until your victory is won

Keep fighting, keep praying, keep fasting  
It ain't over, no  
Keep pressing, progressing, keep moving  
It ain't over, no  
Keep reading, interceding, keep believing  
It ain't over, no  
Keep trusting, keep trying, keep travelling  
It ain't over, no  
Keep living, keep giving, keep going  
It ain't over, no  
Keep fighting until your victory is won
