

## Sovereign God

Maurette Brown Clark

There aren't even words to describe just how great you are  
In all your majesty  
You continually provide for me  
There just isn't anything that you can't do  
Lord I've seen your work before  
So I'll trust you all the more  
Because you are

A wave of your hand can command the seas to hold their peace  
If you can handle the seas  
Then I know that you can deal with all my needs  
So I will put every situation into your capable hands  
I don't have to know the plan  
Because you are

He is able to do exceedingly abundantly  
Above all we ask or think  
So take all your burdens  
And lay them at his feet and watch him meet the need  
We have the victory  
Because you are

You are the sovereign god  
Bigger than all my problems and every situation  
There is nothing too hard  
For the sovereign god

He is sovereign, he is You are the sovereign god  
Bigger than all my problems and every situation  
There is nothing too hard for the sovereign god
