

Komodo

Mauro Picotto

Save our soul, save it now for a better life
Time to break because time is flying on and on
But if you want to believe in a better life
Find a way, try now, come together with a smile

Save our soul, save it now for a better life
Time to break because time is flying on and on
But if you want to believe in a better life
Find a way, try now, come together with a smile

Save our soul, save it now for a better life
Time to break because time is flying on and on
But if you want to believe in a better life
Find a way, try now, come together with a smile
